

alleluia baskets
providing joy

Highlights

Our Top Golf event was a success thanks to YOU-our incredible community of donors, volunteers, sponsors and of course, Jesus! The beautiful weather set the tone for all to have an enjoyable time. The end result was raising \$16, 908.00 so we can

provide joy and love to those in need at Easter and we are VERY GRATEFUL for all you do to make that continuously happen.

We had the honor of serving the children at several Trunk or Treat events in October, this allows us to bring awareness of our organization to the community. We enjoy seeing the families and sharing our mission with them. We offer more than candy, we have Halloween reading and coloring books, halloween stuffed animals and glow sticks for the children.

How to Help

Community Partners

All Saints

We are happy to be a part of the All Saints community. Alleluia Baskets started in one of their classrooms in 2004. Since then, many volunteers have joined us and still are with us to this day. We have had the support of the church community through Shopping as Jesus Would, working with the Knights of Columbus at the seasonal Fish Fry events, several years the National Junior Honor Society held drives to collect needed items and the students from the full time school and PSR programs have filled baskets EVERY year! Recently, they collected candy to fill the plastic eggs. We are proud to be a part of All Saints Church and to have the community share in our mission. We congratulate them on their 200 year anniversary!
