## Community Partners

### Let's Crochet & Knit

Some of the items in the Easter baskets are purchased from the local stores or online with the generosity of many. Some are created by the hands of women with generosity of time, talent and treasure. They are prepared with incredible love and creativity to bring a smile to everyone who sees them and touches them. An amazing group of ladies known as the "Let's Crochet & Knit" group have been working together and growing for 12 years. Alleluia Baskets has been blessed with thousands of their gifts for 5 years. They have created everything from cute fish to flat bunnies to sleepy dolls to blankets and loveys. This list is endless with them. They also come to fill the Easter baskets and enjoy placing the hand crafted items into the Easter Baskets. They have even taken the word of Alleluia Baskets to their sphere of friends to bring us socks, puzzles, toys and more. Their smiles are worth a thousand words or should we say a million crochet stitches. We can only imagine what the ladies will be creating for this year so be sure to check out our social media to see the newest items. Alleluia Baskets offers

only the best to their recipients and we are proud to say we have the best items from the ladies of the "Let's Crochet & Knit" group. We are grateful for the partnership and dedication.
