Meet the Volunteers

Jack & Dianne Kaeshoefer

This month our volunteer spotlight focuses on an amazing couple, Jack, a veteran and his wife, Dianne who have been

supporting Alleluia Baskets for a long time. When they go on trips to visit family and go fishing, they always find time to shop the local Dollar General stores to seek bargains to bring back to Alleluia Baskets. In addition, Jack has been a delivery driver for several years. He has been blessed with experiences of meeting the young recipients and caregivers. Dianne had assisted in filling Easter baskets and volunteering on Service Saturdays and other times throughout the years. They love to help others, smile and be involved where they can share their love.

Why We Serve

Alleluia Baskets serves others to bring them joy on Easter and beyond. We were proud to be included to in the St. Charles Jaycees parade. The 4th of July was spent with some of our dedicated volunteers who passed out candy to the spectators along Main Street in St. Charles with the bubble machine blowing bubbles and lots of waving from the Easter Bunny. We were very excited to have more volunteers with us this year.
