alleluia baskets  
providing joy

# Basket Bulletin

## Why We Serve

You were like my living angel yesterday!!! I was down in the dumps and you & your crew just warmed my heart to pieces. I thank God for you and I'll never forget your care & kindness!!!

- Rosemary

## Meet the Volunteer

### Nancy Young

She calls us her favorite not for profit and never misses a chance to tell everyone she meets about our mission.

She has obtained monetary donations from law firms, individuals and donated her stipend from Lutheran Services to help Alleluia

Baskets continue to provide joy to others. She has spent many hours sewing the softest baby blankets, creating fidgets for the senior citizen baskets, creating zippered pouches to hold candy, baseball cards, crayons and journals. Her imagination goes wild to create the next handcrafted item to place in the Easter basket. The handcrafted items add so much more intentional love into each basket. She enjoys finding a bargain, not afraid to buy everything off the shelf and takes her husband, Roger, with her to carry everything to the car and then to our location in Old Town St. Peters. She is a valued lady who truly loves what we do and enjoys being a part of Alleluia Baskets.

## Highlights

Thank you to our volunteers who helped us to prepare for flooding! Thankfully we stayed dry. We are praying for and helping our neighbors in any way we can.

Congrats to Denise Masterson on winning our STAYcation Raffle!

Alleluia Baskets has a new look! We are updated our logo, as seen at the top of the bulletin.
